

St. Catharine Home & School Annual School Supply Sale

Do you love school supply shopping?
Are you detail oriented and well organized?
Do you need parent service hours?

The Annual School Supply Sale is looking for a new chairperson to replace a graduating family. This is a perfect job for a working/stay-at-home parent with small children who finds it difficult to volunteer otherwise.

Duties include: “meeting” with supplier to pick supplies, setting prices of supply packs, distributing order forms, tallying orders placed and the packing and distributing of supplies in August. Most of the job can be performed at home with only an occasional stop at school.

If interested, please contact Cathy Schmidt 614-239-8583. You’ll be able to shadow Cathy for 2017 and take over the supply sale for 2018 (with Cathy as a resource).
