Pre-Order for School Gym Uniforms

If you need new gym uniforms for the 2017-18 school year, please complete the back side of this letter and return it to school with payment to St. Catharine Home & School by Friday, June 2nd. Orders will be filled and delivered to your child's desk at the start of school in August.

We will be using the new school logo on all new stock purchased. Current gym wear will be "grand-fathered" for the 2017-18 school year but after that the gym uniform must have the new school logo. We do have some stock left with the old logo that we will be selling for half price on a "first-come, first-ordered" basis. If you would like the old logo please note on the order form. If you are ordering the old logo gym wear, we will send you an email with the amount owed and you can get us a check prior to delivery.

The St. Catharine Home & School Association does keep a limited supply of gym uniforms during the school year but we can't guarantee we will have your size. This is the best time to be guaranteed your size and quantity.

Any questions please email Pat McJoynt-Griffith pamgemail@gmail.com
