Caps and T-shirts will be ordered once the season is under way. Team suits are not mandatory, but if you need a decent, reasonably-priced suit, please check our team website.
Please be prepared each practice & meet with your suit, goggles, water bottle, and plenty of dry towels & warm clothes. Additionally, we are asking all swimmers to purchase their own medium-length training fins to have on hand for each practice session. Distributors such as SwimOutlet.com have them, but many swimmers have also found them at local sporting goods stores. http://www.swimoutlet.com/product_p/23059.htm
