From the school homepage, click on the Financial link on the left toolbar.

From the Financial page, you will be able to see your Pre-Pay Accounts and your Account Balances.

Your Pre-Pay Account will include Latchkey and Cafeteria. Your account balances will include Payment Plan (which is Tuition if applicable). Incidental Expenses would include additional fees added such as retreats, gym uniforms, etc.

For Pre-Pay Latchkey and Lunch, you can add funds to these accounts or pay any negative balances. Families will no longer be billed for Latchkey and Lunch charges. A notification will be sent weekly on Sundays to families whose balances are below $5 for lunch and $20 for latchkey.
